ISLE OF PALMS 2ND ADD, TREASURE ISLAND, FL

Waterfront Opportunity – Build New or Reimagine Paradise on Isle of Palms
Seize the rare chance to own 70 feet of direct waterfront in the highly sought-after Isle of Palms neighborhood—just minutes from the Gulf with no fixed bridges to slow you down! This 2-bedroom, 2-bath home took on storm surge damage from Hurricane Helene in 2024 and is being sold AS IS, below lot value, offering an exceptional opportunity to rebuild or tear down and start fresh.

Whether you're dreaming of designing your own coastal retreat from the ground up or investing in a major renovation project, this lot is your blank canvas. Interior walls have already been removed, saving you time and effort for your future plans.

The boater's dream lifestyle awaits—with direct access to the Gulf, and you're just a short walk or bike ride from the Treasure Island Boardwalk, local restaurants, shopping, and sandy beaches. Imagine waking up to sunrise reflections on the water and ending the day with a sunset cruise from your backyard. Buyers should complete their own due diligence regarding FEMA and city building requirements. The seller makes no guarantees regarding remodel potential.

This is your chance to build the ultimate waterfront lifestyle in one of Florida's favorite beachside communities. Don't let this investment slip away—paradise is calling!
